### Minnesota-isms — Minnesota on a Stick

It's time for one last Minnesota-ism to get you acclimated to your arrival in our state.

While certainly not exclusive to Minnesota and not a year round phenomenon, come late summer the Minnesota State Fair takes food on a stick to new heights featuring nearly 60 food items on-a-stick. Sure, there are the typical items like corndogs (aka pronto pups) and candied apples, but the race to put new things on a stick has lead to some unique items like fried pickles on a stick, walleye and salmon on a stick, hot dish on a stick, pizza on a stick, Twinkies on a stick, and various battered and fried candy bars.

We look forward to seeing everyone in St. Cloud.
